2. Opening an Account

- 2.1 We will only be able to open your HiSAVE Account after we have carried out various checks. We are required by law to verify your identity and address. If we cannot carry out these checks electronically, and under certain other circumstances, we will ask you to provide independent documentary evidence of your identity and/or address (for example electricity bill as proof of address or passport as proof of identity). Please note that we require duly certified true photocopies of your documents. Please do not send original documents to us. - 2.5 You can only hold one HiSAVE Account in your name (single or joint) in a particular Issue. This means you can have one HiSAVE Account in one Issue and can choose to open another account in another Issue.
- 2.6 If you are opening a single HiSAVE Account, your Nominated Linked Account can be either in single or joint names. If you are opening a joint HiSAVE Account, your Nominated Linked Account must be a joint current account in the name of both the applicants.
- 2.7 If you open an account with us at a distance (over the phone or post or internet), you are protected by the Financial Services (Distance Marketing) Regulations 2004. The major types of protection are:

 - b. A 14-days right of cancellation; and
 - c. Restrictions on how a financial service is supplied if you have not asked for it.

- 2.9 Each of the HiSAVE Account holders for the relevant Issue will receive a separate Customer ID by email as soon as your account is opened.
- 2.10 For a specific Issue, if you have applied for a single HiSAVE Account, you will be able to choose your password while completing the online application form. Selection of the password online is safe and secure. You will need this password along with the User ID (sent by email) in order to log on to your account.
- 2.11 For a specific Issue, if you have applied for a joint HiSAVE Account, the primary applicant will be able to choose their password while completing the online application form. The secondary applicant will not be able to choose his/her password online and it will be sent separately to his/her communication address within seven Business Days from the date of account opening.
- 2.12 If you have not chosen a password while completing the application form, the password(s) for all applicants will be sent separately to their communication addresses within seven Business Days from the date of account opening.

- 2.14 If you are an existing HiSAVE account holder, then to open any additional HiSAVE account of a particular Issue, you will have to call our Customer Service Centre.

3. Initial deposit to your Account

The initial deposit can be made by cheque or direct debit from your Nominated Linked Account depending upon the mode of operation you choose.

By a Cheque

- 3.1 Once we have carried out the identity checks, we will email you to send a cheque to us from your Nominated Linked Account, which is in your name. The cheque should be for the entire initial deposit amount (minimum amount of £1, no maximum limit). It must be in your name and drawn from the Nominated Linked Account mentioned in your HiSAVE Account application form. The cheque should have your first name/initial and last name printed on it and should be signed by you. If you are opening a single HiSAVE Account, your Nominated Linked Account can be either a single account or a joint account. If you are opening a joint HiSAVE Account, the cheque must be from a Nominated Linked Account jointly held by both the applicants.
- 3.2 You must make sure that you include your 8 digit tracking number, sent to you via e-mail, immediately after your name on the cheque you send us. Without this number we will not be able to process your application further.
- 3.3 Upon successful receipt and verification of the cheque from your Nominated Linked Account in accordance with condition 3.2, we will open your HiSAVE Account, set up a direct debit between the two accounts and send you the account information and User ID by email within five Business Days from the date of receipt of the cheque. You must not cancel the direct debit instruction while you maintain the existing current account as your Nominated Linked Account.
- 3.4 Upon successful verification of the cheque, we will send it to the Bank issuing the cheque for clearing within two Business Days of receiving it. This time is required for us to authenticate the details on the cheque with the information on your application form. In exceptional circumstances this might take an additional Business Day.
- 3.5 If the cheque is returned unpaid, your application to open a HiSAVE Account will be rejected. You may re-apply for a HiSAVE Account.
- 3.6 We will transfer funds to your HiSAVE Account on the day we receive cleared funds (the sixth Business Day) but you will start earning interest from the second Business Day of us sending the cheque to the Bank holding your Nominated Linked Account. However, cheques received after 2:00 pm UK local time or on a day that is not a Business Day, will be treated as though we have received it on the next Business Day. For more details on cheque clearing cycle, please refer to clause 3.9.
- 3.7 If we are unable to set up a direct debit, but your cheque is cleared by your Nominated Linked Account Bank, we will reinitiate the direct debit. In such circumstances we will process your account opening as normal. However, you will be unable to transfer the money from your Nominated Linked Account to your HiSAVE Account until such time as the direct debit is set up between your HiSAVE Account and your Nominated Linked Account.
- 3.8 If we have not received the account opening cheque from your Nominated Linked Account within three months of receiving your application for a HiSAVE Account, your application will be rejected.
- 3.9 When you pay a GBP cheque from another Bank into your account with us:
- We will deposit the cheque in your account on the same day that we receive it if this is before 2:00 pm UK time. If we receive it after 2:00 pm UK time, we will treat it as being received on the next Business Day;
 - We will start paying interest (if any) on the money from the second Business Day after we receive it;
 - The funds will be available for you to use from the fourth Business Day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth Business Day after we receive it;
 - From the end of the sixth Business Day after we receive it, if the cheque is returned unpaid by the paying Bank, we cannot take money from your account without your consent unless you have acted fraudulently; and

- e. If a cheque is returned unpaid by the paying Bank before the end of the sixth Business Day from the day it is paid in, we can take the money back out of your account, even if you have already spent it or it puts you into an unauthorised overdraft. If this happens, we will let you know.
- 3.10 If cheques are deposited with giro slips at any non ICICI Bank UK PLC branch, you will earn interest from the second Business Day, but you will only be able to withdraw funds from the sixth Business Day.
- 3.11 If an amount is credited to your account in error, we will earmark the relevant funds and notify you. The amount will be debited from your account after that notification.

Through a Direct Debit

- 3.12 If you are applying for a single HiSAVE Account, you can allow us to collect funds for your initial deposit from your Nominated Linked Account through the direct debit facility. If you are applying for a joint HiSAVE Account, you will need to fund your account by sending a cheque.
- 3.13 If you are applying for a single HiSAVE Account, you can instruct us to collect funds from your Nominated Linked Account (minimum amount of £1; no maximum limit) at the time of completing the online application form. After carrying out the identity checks, we will set up a direct debit between your HiSAVE Account and your Nominated Linked Account. The direct debit is an electronic link between your HiSAVE Account and your Nominated Linked Account to collect funds from your Nominated Linked Account to HiSAVE Account.
- 3.14 Upon successful confirmation that the direct debit has been set up, we will collect the funds from your Nominated Linked Account and open your HiSAVE Account. It takes up to three Business Days to receive the funds. You will start to earn interest on your HiSAVE Account from the day the funds are received by us.
- 3.15 If we are unable to set up a direct debit between the two accounts, your application for opening a HiSAVE Account will be rejected. You may however reapply for a HiSAVE Account.
- 3.16 If we are unable to collect funds from your Nominated Linked Account due to insufficient funds in that account, we will inform you. After seven Business Days from the date of informing you, we will re-initiate the collection of funds. If the instruction fails again due to any reason, your application for a HiSAVE Account will be rejected. You may however reapply for a HiSAVE Account.
- 3.17 We will send a confirmation letter to your registered postal address informing you once the direct debit has been set up.
- 3.18 If we are unable to deliver the direct debit confirmation letter to you for any reason, we will temporarily block your HiSAVE Account until you call our Contact Service Centre and ask us to unblock it. However, your HiSAVE Account will continue to earn interest.
- 3.19 When you call our Customer Service Centre to unblock your accounts, if you fail to prove your identity, we will require you to provide satisfactory documentary evidence of your identity and address before unblocking account.
- 3.20 You must not cancel the direct debit instruction which we have set up between your HiSAVE Accounts and your Nominated Linked Account.
- 3.21 If we cannot conduct an electronic check on you, and under certain other circumstances, we will ask you to provide us with an independent documentary evidence of your identity and address to open your HiSAVE Account. In this case, your initial deposit must be by a cheque (even though you may have selected the option of funding your account through direct debit to open your account). We will inform you of this by email.

4. Communication between you and us

- 4.1 We may contact you by email, text message or telephone. In certain circumstances, we can also communicate through our Website. If at any point in the future you change your phone numbers, email address or postal address, you should tell us promptly about those changes. We will contact you at the most recent address, telephone number or email address that you have given to us.
- 4.2 You may access your HiSAVE Accounts through our Website.
- 4.3 We may also occasionally contact you by post. If we communicate with you through post, we will use the postal address on our records.
- 4.4 As the HiSAVE Accounts are online accounts, we will not be able to accept any requests that are sent to us by post, except for the circumstances mentioned in condition 25.
- 4.5 After your HiSAVE Account has been opened, you can communicate with us by logging onto Internet Banking and sending emails through Internet Banking. This is a secure and authorised method of communication between you and us.

- 4.6 If you have any queries or have problems logging into or if you cannot access your HiSAVE Accounts for any reason, you can contact our Customer Service Centre for assistance or send us an email at ukdirect@icicibank.com from your email address registered with us.
- 4.7 When you call our Customer Service Centre or contact us through Internet Banking, to identify you we will use your HiSAVE Account details and the security details provided by you when the HiSAVE Account was opened. You will otherwise have to give instructions or get information about your account using our Internet Banking.
- 4.8 If you forget your User ID or your password, you will not be able to operate your accounts online.
- 4.9 If you have forgotten your password, you can call the Customer Service Centre. You can also visit our Website to make a password request. Go to the login page, click on the "Forgot password" link, complete the form and submit it. If you have requested a new password and are waiting for it to arrive, please do not use your old password as this will block the new password as well. We will send you the new password through post at your registered postal address with us. You must inform us of any changes to your address before you request a new password. You can update your address through the "Service Request" option on Internet Banking of your HiSAVE Account via the Website or by calling our Customer Service Centre.
- 4.10 We may conduct periodic electronic checks or seek electronic/written confirmation from you about the details we hold for you on your account. If you do not pass these checks/confirmations, we may ask you to provide us with documentary proof of your identity and address.
- 4.11 For a joint account, unless you advise us otherwise, we will contact only the primary account holder subject to any legal requirements. The primary account holder is responsible for passing information we send to the other joint account holder.

5. Payments into your HiSAVE Account

- 5.1 Apart from your first deposit, after we have set up your HiSAVE Account and a direct debit between your HiSAVE Account and your Nominated Linked Account, you can make more payments into it by:
- Setting up a single transfer to your HiSAVE Account to collect funds from your Nominated Linked Account.
 - Setting up a standing order to your HiSAVE Account to collect funds from your Nominated Linked Account. This would mean receiving regular payments from your Nominated Linked Account into your HiSAVE Account for a defined period.
 - Arranging with another Bank or Building Society to make a payment into your HiSAVE Account (for example, by electronic transfer). You will have to give the other Bank or Building Society our sort code (30-00-81) and your HiSAVE Account number.
 - Transferring money from a current account you hold with us.
 - Transferring money between your HiSAVE accounts (HiSAVE Savings Account and HiSAVE SuperSaver Savings Account related to any Issue) by contacting the Customer Service Centre.
- 5.2 Deposits in HiSAVE Account must be made through electronic transfers originated within the UK, through your Nominated Linked Account only. Cash, cheques (other than for the initial deposit and change of Nominated Linked Account) are not acceptable.
- 5.3 When you make a transfer request using ICICI Bank Internet Banking for money to be collected from your Nominated Linked Account, we will use the direct debit set up between your Nominated Linked Account and your HiSAVE Account to pass this request to your Bank.
- 5.4 The direct debit set up between your Nominated Linked Account and your HiSAVE Account is governed by the Direct Debit Guarantee and if any money is wrongly taken by us from your Nominated Linked Account under the direct debit authority given to us, we will refund the money to your Nominated Linked Account immediately. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.
- 5.5 There is no limit to the number of transactions you can carry out each day. It usually takes three Business Days for us to receive the funds. This amount will be credited into your account and start earning interest on the same day we receive it.
- 5.6 The fund transfer transaction is processed electronically and will be credited within two hours on receipt of the funds by the Bank.
- 5.7 If we receive an instruction to collect a payment electronically after 1:00 pm UK time, or on a day that is not a Business Day, we will treat it as though we received it on the next Business Day.
- 5.8 The minimum amount you need to transfer is £ 1. If you set up a standing order from another bank or if there is an arrangement with another bank or building society to make a payment into your HiSAVE Account, there is no limit on the maximum amount of funds you may transfer into your HiSAVE Account. The maximum amount you can transfer depends on the bank you are transferring funds from.

- 5.9 If your Nominated Linked Account is an ICICI Bank UK PLC current account, a direct debit instruction is not required to make transfers.
- 5.10 Your transaction may be rejected by your Nominated Linked Account Bank or building society for any of the reasons mentioned below and in such cases please contact your Nominated Linked Account Bank or building society for more details:

- 5.12 If you wish to cancel or modify a direct debit request or future dated/scheduled instructions, you can do so from the 'Transfer Money' section in your HiSAVE Account Internet Banking, or by calling our Customer Service Centre.

- 6.4 When you instruct us to transfer money to your Nominated Linked Account, we will debit your HiSAVE Account immediately.
- 6.5 The payment will be available in your Nominated Linked Account the Same Business Day from the date of your request (this will take an extra Business Day if you give the instruction after 1:00 pm UK time on a Business Day or anytime on a non-Business Day).

- 7.2 We will not give you written confirmation when we receive funds into your HiSAVE Accounts or when we transfer funds from your HiSAVE Accounts to your Nominated Linked Account. These transactions will appear in your account statements.

8. Operation of the account

- 8.1 You can give us instructions either:
- a. Verbally by calling our Customer Service Centre; or
 - b. Using Internet Banking and sending an email through the "Accounts Manager" option. Generally we cannot change or stop an instruction given by you over the telephone or through Internet Banking (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions, there may be a charge for this. We will confirm any charges to you before we process your request for cancellation.

Change of Nominated Linked Account

- 8.7 For a single HiSAVE Account, if you are giving us an instruction through Internet Banking for change of Nominated Linked Account, then you are not required to send us any documents. If request is given through our Customer Service Center then you must send us a direct debit mandate form along with a cheque of a minimum of £1 from your new Nominated Linked Account.

Your new Nominated Linked Account must be in the same joint names as the HiSAVE Account.

- 8.17 You must notify us promptly if you experience any failure, delay or error in the Website, Internet Banking or in the operation of your HiSAVE Accounts or you suspect any breach of security or fraud.
- 8.18 We may suspend or stop access to the Internet Banking or Telephone Banking Services immediately if we consider that there is a security or fraud risk. In such circumstances, we may not give advance notice to you.
- 8.19 We can refuse to act on any instruction or delay acting on a request from you or ask for more details (for instance proof of identity), if:

 - c. To carry out the instruction would be unlawful;
 - d. It is to be performed at a future date;
 - e. It is conditional on the happening of a certain event.
- 8.20 If we don't act on your instructions, we will notify you accordingly.
- 8.21 If we consider that there is security or fraud risk, we may apply financial and other limits to telephone instructions and instructions through Internet Banking from time to time. Wherever possible we will give you notice, but we may vary these limits to protect the security of your account at any time with immediate effect and inform you of the changes immediately. We will tell you if your transaction exceeds any of the limits.
- 8.22 We will try to ensure uninterrupted access to the Website or Internet Banking. However, access to the Website or Internet Banking may be temporarily suspended or certain services may be slow or temporarily unavailable, when we carry out routine maintenance checks.
- 8.23 For security reasons, your HiSAVE Accounts User ID will get locked if unused for a period of six successive months. - 23.2 When you call us, we will confirm your identity using our security procedures. We may not be able to assist you if we are unable to identify you as our customer. This is to protect the security of your account.
- 23.3 When we call you, we will never ask for details of your password or PIN (personal identification number) or other security details to identify you as our customer. We will ask you questions based on information known to us about you and the transactions on your account.

- 23.4 If you are using your mobile phone's text messaging facility for services such as text banking and online payee registration, we recommend you delete the information as soon as the service has been performed.
- 23.5 You must inform us immediately if you know or suspect that an unauthorised call has been made to our Telephone Banking Service or that anyone else knows or has asked you for your information.
- 23.6 You must comply with all instructions we issue regarding using your account safely.
- 23.7 The Telephone Banking Service is currently free of charge, however, your service provider may charge you at the prevailing call rates for calling us, however, when you give us any instructions on the telephone to carry out a transaction where there is a charge, our customer service representative will inform you of the charge, and seek your confirmation before proceeding with the instructions.

24. Cancelling the Telephone Banking Service

There may be times when we have to suspend the whole or any part of our Telephone Banking Service. We will inform you by email or on our Website.

25. Death and disability

- 25.1 If you die or become unable to manage your HiSAVE Account, all payments made from your HiSAVE Account will be valid and binding on you and your estate if they were made before we received written notice of your death or disability.
- 25.2 If the account holder dies (except in the case of a joint account holder), we will ask the personal representative(s), to provide the death certificate, grant of probate and/or letter of administration before allowing access to any funds in the account. The representative would need to provide proof of their identity. The funds will be transferred to the Nominated Linked Account. However, if the Nominated Linked Account is dormant or closed, the payment will be made in the name of the authorised personal representative(s). The HiSAVE Account will be blocked when we receive notice of the account holder's death.
- 25.3 In the case of joint accounts, if any one of the account holders dies, the other account holder will be allowed to access the funds from the account.
- 25.4 We may decline any withdrawal from a HiSAVE Account until we have received the correct forms relating to the estate.
- 25.5 Authorising others to operate your account
 - 25.5.1 You may authorise an individual to operate your account on your behalf by signing a power of attorney. We will accept only one power of attorney. We do not accept joint powers of attorney, except when the rights are given to the attorneys jointly or severally. If there is more than one attorney, then one of them must be nominated and all transactions must be authorised by that individual only. We will need to see the original signed power of attorney, although for some powers of attorney we may be able to accept a copy certified by those listed in our requirements, such as a solicitor. If you want any further information on powers of attorney, or if you have any queries, you may contact our Customer Service Centre.
 - 25.5.2 For security reasons, we may not allow a person who is operating your account on your behalf to access some services. Where we do make these services available, that person may use your security details and we will not treat it as a breach of your security obligations.

26. Financial difficulties

If you find yourself in financial difficulties, you should let us know as soon as possible. We will consider cases of financial difficulty sympathetically and positively. Our first step will be to contact you to discuss the matter. We will do all we can to help you overcome your difficulties. The sooner we discuss your problems, the easier it will be for both of us to find a solution. The more you tell us about your full financial circumstances, the more we will be able to help.

27. Credit reference and fraud prevention

27.1 Data sharing

We may record, exchange, analyse and use relevant information about you and your relationships with the companies in our Group (including the nature of your transactions) for credit assessment, market research and administrative purposes. Relevant information may also be

27.2 **Crime prevention and debt recovery**

To prevent crime, to verify your identity and to recover debt, we may exchange information (both within the UK and, where appropriate, overseas) with other companies in our Group and, where appropriate, with fraud prevention and debt recovery agencies and other organisations including other lenders.

Where you borrow or may borrow from us, we may give details of your account and how you manage it to credit reference agencies. If you borrow and do not repay in full and on time, we may tell credit reference agencies who will record the outstanding debt.

29. **Financial Service Compensation Scheme**

29.1 We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme.

- 29.2 In respect of deposits, from 1 January, 2016 an eligible depositor is entitled to claim up to £75,000. For joint accounts, each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £75,000 each (making a total of £150,000). The £75,000 limit relates to the combined amount in all the eligible depositor's accounts with us including their share of any joint account, and not to each separate account.
- 29.3 For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website, www.fscs.org.uk or call the FSCS on 0800 678 1100 or 020 7741 4100. Please note, only compensation related queries should be directed to the FSCS.

30. General

- 30.1 If we relax any of these Terms and Conditions, this may be a temporary measure or a special case and we may enforce them again with reasonable notice.
- 30.2 These Terms and Conditions will be governed by English laws and any dispute between you and us will be subject to the non-exclusive jurisdiction of the courts of England and Wales.
- 30.3 Nothing in these Terms and Conditions will reduce your legal rights including your rights relating to described accounts or services, the fairness of terms on which they are provided to you, and any rights you may have to close your account or to claim compensation. For further information about your legal rights, contact your local authority Trading Standards Department, the Office of Fair Trading or the Citizens Advice Bureau.
