5. Interest on payments you make and receive

5.1 Interest is currently not offered on your Current Account.

5.2

6. Enquiries about an instruction

You can make an enquiry in respect of each payment instruction whether made by you or another person by contacting your Relationship Manager.

7. Cut-off times, execution times and when you can cancel an instruction to make a payment

7.1

The cut-off time is the time on a Business day before which a payment or a payment instruction is treated as received by us on that Business day. This means that if we receive a payment or a payment instruction after the cut-off time, we will treat this as received by us on the following Business day. If we receive a payment or a payment instruction on a day that is not a Business day, we will treat this as received on the next Business day. Cut-off times vary for different types of payment and for different ways in which the payment is requested. Information about cut-off times for each type of payment is available at the Branch or on Corporate Internet Banking.

7.2

Some types of payments have additional currency cut-off times. For these payments, you must give your instructions before the cut-off times that apply, for us to treat the instructions as received before the cut-off time.

7.3

The maximum execution time (the time it takes for the payment to reach the Beneficiary's Bank), is set out in the Section 8. The time at which this begins will depend on whether your payment instructions were received before or after the cut-off time.

7.4

Where you have instructed us to make a payment immediately, we will begin processing the instructions when they are received and you cannot cancel your instructions after you have given them to us.

7.5

If you instruct us to make a payment on a future date, we will begin to process the payment on the date you specify. In this case, please make the relationship manager or Branch staff aware immediately that you do not wish for the payment to be processed. We will require at least 24 hours' notice to cancel the instruction.

7.6

After any time limits for cancellation referred to in this clause 7 have expired, you may only cancel your instructions if we agree and, in the case of Direct Debits, if the person who receives the payment also agrees.

7.7

You can instruct us to stop or cancel a future dated payment by contacting your relationship manager or visiting any of our Branches provided:

- We do not have in place any agreement in place with the beneficiary or their bank(s) to make such a payment; or

The Beneficiary of the Direct Debit will lodge the Direct Debit instruction electronically onto your Account but may occasionally send the original Direct Debit instruction you completed to us (all SEPA direct debit instructions will be lodged electronically). When each payment request is received by us, we will check if the reference for that payment matches the reference on the Direct Debit instruction. Only then will we make the payment from your Account.

9.3

You can withdraw your agreement for Direct Debit payments to be made at any time by telling us via our Branches or Internet Banking service till 12.00 p.m. on the day before that payment is due to be made by us. If you wish to cancel or change a Direct Debit, you must inform the Bank and the organisation that collects payment from your Account.

9.4

All Direct Debits received will be processed by us within 24 hours of receiving the request from the Beneficiary or the Beneficiary's Bank.

9.5

If you think there has been an incorrect Direct Debit payment in GBP, you should contact the beneficiary to advise them of the error as they may refund your account directly. You can notify the bank and we can arrange to make a claim under the Direct Debit Guarantee Scheme once we have established that a genuine error has been made.

10. Cash withdrawals from your Account

10.1

You can withdraw cash from your Account over a Branch Counter or from an ATM which has a VISA logo. A Debit Card can be issued to any authorised signatory in the account. The mode of operation mentioned in the Account for cash withdrawal and other requests does not apply to Debit Card withdrawals/ payments. There is a limit on the amount you can withdraw each day from an ATM. This limit would be the one which you have set up at the time of applying for a debit card or the default limit which is mentioned in the Debit Card Terms and Conditions (See section 8)

10.2

Cash withdrawals from an ATM will be deducted from your Account on the same day. For cash withdrawals at an ATM outside the UK, the amount of any cash withdrawal made in the currency other than GBP will be converted into GBP. See the Rates and Charges leaflet for charges that will apply.

10.3

For withdrawals over the counter at Branches, you must provide a proof of identity acceptable to us, and the cheque book or withdrawal book for the Account. There is a limit of £2000 on cash withdrawals from the Branches by a single withdrawal. If you wish to withdraw £2000 or more, you will need to contact your nearest Branch in advance.

10.4

We will deduct cash withdrawals made over the counter at any of our Branches from your Account immediately.

11. Cash payments in to your Account

11.1

We will provide you with GIRO credit slips to allow you to pay funds into the Current Account(s). You should complete the deposit slip in full and ensure that it is stamped and initialed by the teller.

11.2

You can pay in cash at any of our Branches. You must complete a paying-in slip to do this. Counterfeit currency may be confiscated. You must not send cash to us by post.

11.3

If you pay cash at one of our Branches it will be added to your Account and treated as available immediately. It will be treated as cleared for interest calculation purposes on the same day.

11.4

If you use one paying-in slip to pay a mixture of cash and cheques into your Account over the counter at one of our Branches, the cash will be credited to your Account and will be available for you to withdraw and will start earning interest (if applicable) from the same day.

11.5

Other Banks may allow you to pay in cash to your Account through their Branches. The credit will appear in the balance of your Account three Business days later. The cash is treated as cleared for interest calculation purposes (if applicable) two Business days after it has been paid in at the other Bank.

11.6

You may be asked to provide documentary evidence of source of funds or source of wealth for any cash transaction of any amount.

12. Cheques you issue from your Account

12.1

When you write a cheque you must take all reasonable precautions to prevent anyone else altering it or making a forgery.

This includes (but is not limited to):

- Using black ink which cannot be erased;
- Never leaving a gap between words or figures;
- Never signing a cheque before you use it;
- You should draw a line through the unused space on the cheque so that it will prevent unauthorised people adding extra numbers and names;
- You must sign all alterations to cheques you issue.

12.2

When you write a cheque you must clearly write the name of the payee and you should also put some additional information, as this will help us to prevent fraud. If you are paying the cheque to a large organisation, financial institution, Bank or building society you may add further details on the payee line (e.g. Inland Revenue re. XYZ).

12.3

You can write cheques only in the currency of your Account.

12.4

You should not issue a future dated cheque. If you do so and the cheque is presented to us before that date, we will not pay it.

12.5

If we receive a cheque issued by you that is more than six months old we may decline to pay it.

12.6 We may decide not to pay a cheque if:

- There are insufficient funds in your Account; or
- The cheque has a technical irregularity (for example there is a difference between the amount in words and figures, or the signature is different to that held in our records); or
- We have reasonable grounds to suspect fraudulent activity.

12.7

You must tell us as soon as possible if you become aware that any cheque has been lost or stolen.

12.8

If you issue a cheque and it is deposited outside the UK, this will incur additional charges which will be debited to your account.

12.9 If you ask us to “stop” a cheque we will do so, provided:

- The cheque has not been paid already.
- We receive the request to stop it before 11:00 am on the day the cheque is presented for payment.
- You have provided sufficient details for us to identify the transaction, for e.g. cheque number.

12.10

When you issue a cheque from your Account, the amount will be deducted from your Account two business days after the Beneficiary deposits the cheque into their Account. For example a cheque paid in on a Monday will be deducted from your Account on Wednesday. More time may be needed for a cheque paid into a building society Account or any Bank outside England or Wales or any account held at a non-clearing Bank.

12.11 Clearing cycle

12.11.1

The “clearing cycle” is the time taken for funds paid into your Account to be added to your account balance. All cheques deposited in our UK Branches by 2:00 p.m. (The “cut-off” time) will be processed the same day. All cheques deposited after the cut-off time will be processed on the next Business day.

When you pay a GBP cheque from another Bank in the UK into your Account with us:

- We will deposit the cheque in your Account on the same day if we receive it before the cut-off time;

- We will start paying interest (if any) on the cheque from the second Business day after we receive it;
- The funds will be available for you to use from the fourth Business day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth Business day after we receive it; and
- From the end of the sixth Business day after we receive it, if the cheque is returned unpaid by the paying Bank, we cannot take money from your Account without your consent unless you have acted fraudulently.

So, for example, if you pay in a non-ICICI Bank UK PLC cheque on a Monday, you will see it on your Account the same day, it will start earning interest on Wednesday, you can use the money on Friday and we cannot take the payment out of your Account after the following Tuesday (unless you have acted fraudulently).

If the Bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment. We will deduct the amount of the cheque from your balance no later than the end of the sixth Business day after it was added to your balance. In all circumstances, you will be the owner of the funds on the sixth Business day after the deposit of the cheque, and the amount of your cheque cannot then be debited from your balance without your consent unless you were knowingly involved in a fraud concerning the cheque.

12.11.2

If cheques are deposited with Giro Slips at any non-ICICI Bank UK PLC Branch, you will earn interest from the second Business day, but you will only be able to withdraw funds from the sixth Business day.

12.11.3

If an amount is credited to your Account due to an error at our end, we will earmark the relevant funds and notify you of the same. The amount will be debited from your Account after that notification.

12.11.4

If a cheque is returned unpaid by the paying Bank before the end of the sixth Business day from the day it is paid in, we can take the money out of your Account, even if you have already spent it or it puts you into an unauthorised overdraft. If this happens, we will let you know. We will apply interest and charges as mentioned in our Rates and Charges leaflet.

12.12 Foreign cheques

12.12.1 Foreign cheques mean cheques in a foreign currency or cheques in GBP paid out of an Account at a Bank outside the UK.

12.12.2

We will take our charges for dealing with foreign cheques, and any charges by the foreign Bank and our agent (including any charges resulting from the foreign Bank returning the cheque unpaid or asking for the money to be returned) from the Account you told us to pay the cheque into.

12.12.3

Occasionally, we may refuse to accept the cheque if it is not possible to obtain payment of foreign cheques because of local foreign exchange or other restrictions.

13. Standing orders

13.1

On the day specified in the standing order, we will debit your Account. It will take one Business day for the Beneficiary Bank to receive money. If the day specified in the standing order falls on a non-Business day, we will consider it to be specified for the next Business day. The payee's Bank will then receive money in two Business days.

13.2

If the standing order is not processed on the due date due to reasons such as there being an insufficient balance in your Account, dormancy etc., we will not attempt to fulfil the same instruction again. If you do wish to make the payment, then please contact us to provide us with separate instructions. We will continue to process all future standing instructions, if any.

13.3

You can instruct us to stop or cancel a future dated payment by visiting any of our Branches provided:

- The amount has not already been taken out of your Account; or
- We have not told the person to whom it is payable or their Bank that it will be paid; or
- You ask us not later than 12:00 noon on the day before which the payment is due.

14. Same Business day payments from your Account

14.1

All UK GBP electronic payment requests placed at any of our Branches or online before 1:00 p.m. on a Business day will be debited from your Account on the same Business day.

14.2

All UK GBP electronic payment requests placed at any of our Branches or online after 1:00 p.m. on a Business day and anytime on a non-Business day will be debited from your Account on next Business day and the payee's Bank will receive funds on the day your account is debited.
