In the event of any error, you are entitled to an immediate refund from your Bank or Building Society); and
- You have access to electronic mail (email) facilities, and a valid current email address.

1.2 If you have not been resident in the UK for at least one year we may consider your request to open a HiSAVE Fixed Rate Account provided you satisfactorily clear our electronic KYC check or provide us with independent documentary evidence of your identity and/or address.

1.3 When you apply for a HiSAVE Fixed Rate Account, we will only be able to open your account after we have carried out various checks. We must check your identity for fraud prevention and compliance with Anti Money Laundering regulations. These documents need to be certified. For more details on documents and certification please click [here](#).

If we do not receive such documentary evidence, and we are unable to open you a HiSAVE Fixed Rate Account within three months of the date of receiving your application, we may ask you to reapply online and provide fresh evidence of your identity. We reserve the right to decline your application if we are not satisfied with the identity documents you have provided us.

Please note that we require duly certified true photocopies of your documents. If you send any of the documents in original we will take due care to return them back to you but will not be responsible/liable for any loss or damage to the documents.

1.4 The HiSAVE Fixed Rate Account shall be opened in pounds sterling only.

1.5 If you already hold a HiSAVE Savings Account you will be able to open a HiSAVE Fixed Rate Account by submitting a request online by logging into your internet banking account through the website or calling our customer service center. You can open more than one HiSAVE Fixed Rate Account with us. You cannot make additional deposits into your HiSAVE Fixed Rate Account, change the term of your HiSAVE Fixed Rate Account or close your account if 14 days have passed after account opening. If you do not hold a HiSAVE Saving Account, then we will open a HiSAVE Savings Account for you subject to clause 1.12, 1.13 and the funds of your Fixed Rate account will be transferred to this HiSAVE Savings Account upon maturity. The Direct Debit initially between your nominated linked account and your HiSAVE Fixed Rate Account will be replaced with a new Direct Debit between your nominated linked account and your HiSAVE Savings Account. We will inform you once your HiSAVE Savings Account has been opened. Minimum investment required for a HiSAVE Fixed Rate Account is £1000.

- 1.6 If you are applying for a HiSAVE Fixed Rate Account by filling up an online application form, you must draw a cheque for the entire deposit amount (min. amount being £1000, no limit on maximum investment) in order to open your HiSAVE Fixed Rate Account. This cheque should be in your name and drawn from nominated linked account mentioned in your HiSAVE Fixed Rate Account application form. The cheque should have your first name/initial and last name printed on it and should be signed by you. If you are opening a single HiSAVE Fixed Rate Account, your nominated linked account can be either a Single account or a Joint account. If the nominated linked account is joint current account, the cheque should be signed by one or all of the current account holders as per the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in name of both the applicants.
- 1.7 You can choose, by specifying at the time of account opening, either to renew the HiSAVE Fixed Rate Account for the same term or to close it on maturity and transfer the funds to your linked HiSAVE Savings Account. If you do not have a HiSAVE Savings Account, the funds will be transferred to your nominated linked account. If you wish to automatically renew the HiSAVE Fixed Rate Account on maturity, select the 'Auto renewal' option in the HiSAVE application form.
- 1.8 If we have not received the account opening cheque (minimum amount being £1000, no limit on maximum investment) from your nominated linked account within three months of receiving your application for a HiSAVE Fixed Rate Account, we will reject the application and you will have to re-apply online to open a new HiSAVE Fixed Rate Account.
- 1.9 When you send us a cheque it must be in your name and drawn from the nominated linked account mentioned in your HiSAVE Fixed Rate Account online application form, for the total deposit amount for which you wish the account to be opened. You must make sure that you add your 8 digit tracking number, sent to you via e-mail by us, immediately after your name on the cheque you send us. In absence of this number we will not be able to process your application further.
- 1.10 Upon successful verification and clearing of cheque from your nominated linked account as per clause 1.9.
If the initial deposit cheque is returned unpaid by your nominated linked account bank/building society for any reason, your application for opening HiSAVE Fixed Rate Account will be closed. You may re-apply for a HiSAVE Fixed Rate Account.
- 1.11 If you have applied for a single HiSAVE Fixed Rate Account you will be able to choose your password while completing the application form. You will need this password, along with the User ID (sent by e-mail) in order to login to your account through our website.
If you have applied for a Joint HiSAVE Fixed Rate Account you will be able to choose your password for the primary applicant while filling up the application form. You will then be able to login to your account using the User ID (sent by e-mail) and this password which you have generated. The password for the secondary applicant will be sent separately to his/her residential address within 7 working days from the date of account opening.
If you have not generated your password while filling the application form, the password(s) for all applicants i.e. sole applicant in case of single application and primary & secondary applicants in case of Joint applications, will be sent separately to their residential addresses within 7 working days from the date of account opening.
When you login to your account for the first time with either your chosen password or the one that we sent you by post, you will be prompted to change it. This is for the security of your own account. We strongly recommend that you change your password at this stage.
- 1.12 If you are applying for a HiSAVE Fixed Rate Account by completing an online application form, then the funds of your Fixed Rate account will be transferred only to a HiSAVE Savings Account upon maturity. This HiSAVE Savings Account will be opened and the Direct Debit mandate set initially between your nominated linked account and your HiSAVE Fixed Rate Account will be replaced with a new Direct Debit between your nominated linked account and your HiSAVE Savings Account. We will inform you 7 days in advance before opening your HiSAVE Savings Account.
- 1.13 If you hold a HiSAVE Fixed Rate Account(s) with us and this is/these are linked to one nominated account, then we will open a HiSAVE Savings Account in your name(s) and the funds of your HiSAVE Fixed Rate Account (s) will be transferred to this HiSAVE Savings Account at maturity. If you hold a HiSAVE Fixed Rate Account(s) and this is/are linked to different nominated accounts, then the funds of your HiSAVE Fixed Rate Account(s) will be transferred to the relevant nominated linked account upon maturity unless you instruct us to open a HiSAVE Savings Account. In this case we will transfer the maturity proceeds to this HiSAVE Savings Account.
- 1.14 If you hold both HiSAVE Fixed Rate Account(s) and HiSAVE Savings Account with us, but both the accounts are independently linked to your nominated linked account(s), then we will delete the direct debit between your nominated linked account and your Fixed Rate Account and the funds of your Fixed Rate Account will be transferred to your HiSAVE Savings Account upon maturity.

3. Payments into your HiSAVE Fixed Rate Account

3.1 When we receive your account opening cheque, we will send it to the bank issuing the cheque for payment within two working days of receiving it. This is required for us to authenticate the details on the cheque with the ones in your application form. In exceptional circumstances this might take an additional working day. Each UK cheque paid into ICICI Bank UK accounts clears on the sixth working day from the date of the sending the cheque for clearing. We will open your HiSAVE Fixed Rate Account on the day we receive clear funds but you will start earning interest from the second day of presenting the cheque. However, if we receive a cheque after 1300 Hrs UK local time or on a day that is not a business day, we will treat it as though we received it on the following business day. Also see clause 6.4 regarding the central clearing cycle.

3.2 Payments to open subsequent HiSAVE Fixed Rate Account:

3.2.1 If you already have a HiSAVE Fixed Rate Account and wish to open another one you can do so by placing a request by logging into your internet banking account through the website or contacting our Customer Service Centre. In this case, the HiSAVE Fixed Rate Account will be opened by pulling money from your nominated linked account or your HiSAVE Savings Account (if you hold one). When you make a request to open a subsequent HiSAVE Fixed Rate Account from your nominated linked account, we will use the Direct Debit set up between your nominated linked account and your HiSAVE Fixed Rate Account or your HiSAVE Savings Account (if you hold one) to forward this request to your bank. Please ensure you have adequate funds in your nominated linked account so that the Direct debit request is successfully executed. It usually takes three working days for us to receive the funds. This amount will be credited into your account and will start earning interest on the same day on which we receive it.

Once the HiSAVE Savings Account is opened as per clause 1.12, all subsequent transactions will be made through HiSAVE Savings Account only. When you make a request by logging into your internet banking account through the website for a specified amount of funds to be withdrawn from your nominated linked account and to open a subsequent HiSAVE Fixed Rate Account, we will use the Direct Debit set between your nominated linked account and your HiSAVE Savings Account to forward this request to your bank.

3.2.2 The Direct Debit set-up is governed by the Direct Debit Guarantee and if any money is erroneously taken by us from your nominated linked account under the Direct Debit Authority given to us, we will refund the money to your nominated linked account as soon as reasonably practicable. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.

Subject to clause 1.12, 1.13 and 1.14, after the HiSAVE Savings Account is opened, the Direct Debit initially set up between your nominated linked account and your HiSAVE Fixed Rate Account will be replaced with a new Direct Debit set up between your nominated linked account and your HiSAVE Savings Account. You must not cancel the direct debit instruction which we have set up earlier between your HiSAVE Savings Account and your nominated linked account.

3.2.4 We will normally act within one working day of receipt of your request to transfer funds. However, If we receive an instruction to collect a payment electronically, after 13:00 hrs UK local time or on a day that is not a business day, we will treat it as though we received it on the following business day.

3.3 We will not be able transfer funds between your HiSAVE Fixed Rate Account and the nominated linked account (if you do not have a HiSAVE Savings Account) unless we have a valid Direct Debit instruction for that nominated linked account.

Subject to clause 1.12, 1.13 and 1.14, after the HiSAVE Savings Account is opened, we will not be able to transfer funds between your HiSAVE Savings Account and the nominated linked account, unless we have a valid Direct Debit instruction for that nominated linked account.

- 6.1 You can give us instructions either verbally by calling our Customer Service Centre or in writing by sending an e-mail by logging into your internet banking account. Generally we cannot change or stop an instruction given by you over the telephone or through the website (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions we may charge you we will confirm the charges to you before we process your request for cancellation.

- 6.2 Before we act on instructions given by you by telephone or through the website you will have to answer the security questions which we may ask you. Please also see section 8 (Security and Access). You agree that as long as we are given correct answers to the security questions referred to above and User ID & password (for internet banking through the website) as part of our security procedures, we can (without getting further confirmation from you) act on any instruction to make payments into or out of an account; and release confidential information we hold about you and your accounts.

- 6.3 When you transfer money to your HiSAVE Fixed Rate Account, we are sometimes given value for a payment before the transferring bank has checked that there are sufficient funds in your nominated linked account. The transferring bank (or BACS in some cases) may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Fixed Rate Account along with the interest which we might have paid.
- 6.4 The clearing cycle is the time taken for money paid from or to your account to be deducted or added. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. Whilst we may credit such amounts to your account on the date of presentation, the funds will be available to withdraw on the fourth working day from the date of the deposit for both current and savings accounts. The amount deposited will start earning interest from the second working day of the deposit for all types of savings and fixed rate accounts. If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will explain the reason for non-payment. Thereafter, we will deduct the amount of the cheque from your balance no later than the end of the sixth business day after it was added to your balance. In all circumstances, you shall be the owner of funds on the sixth working day of the deposit of cheque and the amount of your cheque cannot be reclaimed from your balance without your consent to our doing unless you were knowingly involved in a fraud concerning the cheque. Where legal reasons require, or in certain limited circumstances beyond our control, the payment of a cheque into your account may be prevented or may take longer than the time periods set out herein.
- 6.5 With an exception to clause 1.12, 1.13 and 1.14, if you have to transfer funds from your nominated linked account to your HiSAVE Fixed Rate Account there must be a valid direct debit set up between the two accounts. You must not cancel the direct debit instruction while you have the nominated linked account. Your direct debit instruction will expire if you do not use the direct debit facility within 60 months of the last date of use. If your direct debit mandate expires you will need to set up a new direct debit mandate. Unless a valid direct debit is set between your HiSAVE Account(s) and nominated linked account, you will not be able to transfer funds between the accounts. To set up a new direct debit you must raise an online request or call the Customer Service Centre. By doing so, you will be given a reference number. Please make note of this reference number. You must also send us a Direct Debit Mandate form and an original bank statement of your new linked account. You can download the Direct Debit Mandate form from www.hisave.co.uk. Once we have received and verified these documents, your request will be processed in 6 working days.
- In case the direct debit instruction is rejected by other bank, your request will be canceled and you will have to place a new request.
- Please note:** If your new nominated linked account is a ICICI Bank UK current account, then the above mentioned documents are not required. In this case your request will be processed in 2 working days.

6.14 We can refuse or delay acting on a request from you or ask for more details, for instance proof of identity if we think that it may not have been properly authorised, or may cause us to breach the law or a contractual duty, or we think your HiSAVE Fixed Rate Account is being used for an illegal purpose, or because the anti-money laundering regulations prevent us from doing so. Routine maintenance, demand on the systems and other circumstances may result in it not being possible for you to access the website or may result in particular services being slow or unavailable. In all such events we will not incur any liability for any losses caused to you.

6.15 If your HiSAVE Fixed Rate Account is linked to your HSAVE Savings Account, you will only be able to change the nominated linked account which is linked to your HiSAVE Savings Account. Please refer to clause 6.5 for more information on the process of setting up a new direct debit or changing your linked account.

9. Interest

- 9.1 The interest rate applicable to your HiSAVE Fixed Rate Account will be the interest rate applicable on the date your HiSAVE Fixed Rate Account is opened and there are clear funds in your account. Interest shall be calculated and accrued daily and will be paid according to the interest payment option chosen by you at the time of application. If you have chosen the HiSAVE Fixed Rate Account - monthly interest option, interest will be paid on the last day of every month. If the last day is not a working day, interest will be paid on the next working day for all terms. The last interest payout will be made on the date of maturity of the monthly Fixed Rate Account. For all HiSAVE Fixed Rate Accounts with the annual interest option, interest will be paid at maturity for deposits of term less than 1 year and annually for terms greater than or equal to 1 year. Interest and principal amount (on maturity) will be paid into your nominated linked account if you do not have a linked HiSAVE Savings Account with us. If you have a linked HiSAVE Savings Account, interest and principal amount on maturity will be paid into this account. Subject to clause 1.12, 1.13 and 1.14, after the HiSAVE Savings Account is opened, the interest will be transferred to your HiSAVE Savings Account along with the funds upon maturity.

You may call us at any time to know the interest rates as applicable to your HiSAVE Fixed Rate Account. We reserve the right to revise our interest rates from time to time without notice. We will communicate the change in interest rate to you by posting it on the website and informing the Customer Service Centre within 30 working days. In the event of such a rate change such revised rate shall be applicable only to HiSAVE Fixed Rate Account opened on or after the date revised interest rates have been announced. A HiSAVE Fixed Rate Account opened earlier shall continue to earn interest rate which was prevailing at the time it was opened. You can know about our existing interest rates on HiSAVE Fixed Rate Account by visiting our website (www.hisave.co.uk) or calling us our Customer Service Centre at 08081 31 41 51 (freephone from UK landline).

- 9.2 We reserve the right to run promotions for new or existing customers. These promotions may involve incentives including higher interest rates than those available on our website. The current rate of interest payable on the HiSAVE Fixed Rate Account will be displayed on the website.

- 9.3 Calculation of Interest - We will calculate interest on a daily basis on the total balance available in your account at the end of the day at the advertised gross rate on all balances of £1000 or more. No interest will be paid on funds of less than this amount. Interest will be calculated from the working day on which we receive the funds into your HiSAVE Fixed Rate Account. We will pay interest according to the interest payment option chosen by you at the time of application. If you have chosen the HiSAVE Fixed Rate Account-monthly interest option, interest will be paid on the last day of every month. If the last day is not a working day, interest will be paid on the next working day for all terms. The last interest payout will be made on the date of maturity of the monthly Fixed Rate Account. For all HiSAVE Fixed Rate Accounts with the annual interest option, interest will be paid at maturity for deposits of term less than 1 year and annually for terms greater than or equal to 1 year. Interest is calculated and rounded off to the second decimal place.

- 9.4 Change of Interest Rate - We reserve the right to change the rate of interest for new term deposits at any time due the following reasons:

- 9.4.2 Changes in market conditions;
- 9.4.3 Changes in the cost of providing the account and relating services to you;

- 9.4.6 We may change the interest rate on the account for any valid reason

The changes in interest rate will be applicable for new HiSAVE Fixed Rate Account opened on or after the day when the change in interest rate has occurred. Existing Fixed Rate Account rates won't be affected.

- 9.5 We will communicate the change in interest rate to you by posting it on the website, informing the Customer Service Centre and writing to you by (post or e-mail) within 30 days of the change.

- 9.6 AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product which quotes an interest rate will contain an AER, you will be able to compare easily what return you can expect from your savings over time. Gross Rate is the contractual rate of interest payable before the deduction of income tax at the rate specified by the applicable laws which is currently 20%. Thus, it is the rate before the deduction of tax applicable to interest on savings.

- 9.7 Tax Deductions - We are governed by the regulations issued by HM Treasury and deduct withholding tax from the interest paid on the deposits in your HiSAVE Fixed Rate Account. We will pay interest net of income tax at the standard rate, unless you have informed us that you are a

non-tax payer by sending us the appropriate HM Revenue and Customs completed form (available upon request or downloadable from the HM Revenue & Customs website at www.hmrc.gov.uk). If you have not followed this procedure but are a non-tax payer, you may be able to reclaim the tax from HM Revenue and Customs. Any interest paid before we are able to process your registration as a non-tax payer will be paid after deduction of tax. We take one working day to process your request. Please note that tax laws may change from time to time. If your circumstances change so that you need to pay tax on the interest on the HiSAVE Fixed Rate Account, you must immediately update the same by logging on to your HiSAVE internet banking and raising the request 'Change of tax status from Gross to Net' through service request section.

Annual certificate of deduction of tax (that is section 352 certificate as per HM Revenue and Customs) will be made available online. Please note the statement will be available through electronic format which can be stored and can be printed. If you require a physical copy of this statement to be sent to you by post, please contact our Customer Service Centre or email us at ukdirect@icicibank.com. We charge a fee of GBP 5 for processing such requests. In case of joint accounts, the annual certificate of deduction of tax will only be made available for the primary account holder.

- 9.8 The interest rate on HiSAVE Fixed Rate Account is fixed for the term. Details of our current rates of interest are available on our website (www.hisave.co.uk). You can also get details by contacting us our Customer Service Center at 08081 31 41 51 (freephone from UK landline).
- 9.9 The tax treatment or the rate of interest payable depends on the individual circumstances of each banking customer and may be subject to change in future.
