### **Clearing of Cheques**

The clearing cycle is the time taken for money paid from or to your Account to be deducted or added. Each UK cheque paid into ICICI Bank UK Accounts clear on the sixth working day from the date of the deposit of the cheque. Whilst we may credit such amounts to your Account on the date of presentation, the funds will be available to withdraw on the fourth working day from the date of the deposit for Current Accounts. The amount deposited will start earning interest (if applicable) from the second working day of the deposit for all types of Accounts viz. current and fixed deposits. If the Bank, building society or other organisation that the cheque was drawn on decides not to honour it they will normally explain the reason for non-payment. Thereafter, we will deduct the amount of the cheque from your balance no later than the end of the sixth working day after it was added to your balance. In all circumstances, you shall be the owner of funds on the sixth working day of the deposit of cheque and the amount of your cheques cannot be reclaimed from your balance without your consent to our doing unless you were knowingly involved in a fraud concerning the cheque. It should be noted that all cheques deposited in the Branches by 2:00 pm shall be processed the same day. All cheques deposited after 2:00 pm shall be processed on the next working day.

If cheques are deposited with Giro Slips at any of the Banks, though you will earn interest from the second day, you will be able to withdraw funds from the sixth working day only.

When you pay cash into your Account, you will be able to withdraw the money immediately. It will be treated as cleared for interest calculation purposes.

Cheques drawn on a non-UK Bank and foreign currency cheques are available for withdrawal when we are in receipt of cleared funds. It will take approximately 21 days for crediting cleared funds into your Account.

Where legal reasons require, or in certain limited circumstances beyond our control, the payment of a cheque into your Account may be prevented or may take longer than the time periods set out herein.

#### **Important information about Financial Service Compensation Scheme**

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a Bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme.

In respect of deposits, from 30th January 2017, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with us including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim), please ask at your local branch, refer to the FSCS website, [www.fscs.org.uk](http://www.fscs.org.uk) or call the FSCS on 0800 678 1100 or 020 7741 4100. Please note only compensation related queries should be directed to the FSCS.

#### **Important information:**

If you have any queries in relation to the rates and charges on the Current account, you can e-mail us at [uk.business@icicibank.com](mailto:uk.business@icicibank.com) or visit your nearest Branch.
