If we do so, we will apply interest and charges as mentioned in our Rates and Charges Leaflet for the unauthorised overdraft.

10. Clearing cheques:

- 1) The "clearing cycle" is the time taken for money paid into your Account to be added. All cheques deposited in our Branches by 2:00 pm (the "cut off time") will be processed the same day. All cheques deposited after the cut off time will be processed on the next Business Day and for the periods mentioned below will be treated as being received on the next Business Day. When you pay a GBP cheque from another bank in the UK into your Account with us:
 - We will deposit the cheque in your Account on the same day if we receive it before the cut off time
 - We will start paying interest (if any) on the cheque from the second Business Day after we receive it
 - The funds will be available for you to use from the fourth Business Day after we receive the cheque, but the cheque may still be returned unpaid up until the sixth Business Day after we receive it and
 - From the end of the sixth Business Day after we receive it, if the cheque is returned unpaid by the paying bank, we cannot take money from your Account without your consent unless you have acted fraudulently. So, for example, if you pay in a non - ICICI Bank cheque on a Monday, it will start earning interest on Wednesday, you can use the money on Friday and we cannot take the payment out of your Account after the following Tuesday (unless you have acted fraudulently). If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment. We will deduct the amount of the cheque from your balance no later than the end of the sixth Business Day after it was added to your balance. In all circumstances, you will be the owner of the funds on the sixth Business Day after the deposit of the cheque, and the amount of your cheque cannot then be debited from your balance without your consent unless you were knowingly involved in a fraud concerning the cheque.
- 2) If cheques are deposited with giro slips at any other bank, you will earn interest from the second Business Day, but you will only be able to withdraw funds from the sixth Business Day.
- 3) If an amount is credited to your Account in error, we will earmark the relevant funds and notify you. The amount will be debited from your Account after that notification.
- 4) If a cheque is returned unpaid by the paying bank before the end of the sixth Business Day from the day it is paid in, we can take the money back out of your Account, even if you have already spent it or it puts you into an unauthorised overdraft. If this happens, we will let you know. We will apply interest and charges as mentioned in our Rates and Charges Leaflet.
- 5) We would accept cheques for clearing in GBP currency only.
