## Banks' blow on Isa rates

Ali Hussain, 11 April 2010

There was some good news for savers at ICICI, the first savings provider to offer a reward for loyalty. From last week, anyone coming to the end of a fixed deal with the Indian bank will be offered a 0.05% bonus if they choose to take up another fixed product with ICICI. They must decide up to 45 days before the bond matures.
