1. Opening an account

1.1 HiSAVE Fixed Rate Account can be opened only if you meet the following requirements:

1.1.1 you are an individual, aged 18 or older, resident in the United Kingdom (but not including the Isle of Man or the Channel Islands) for at least one year at the time of opening of your HiSAVE Fixed Rate Account; and

1.1.2 you have an existing current account with a bank or building society in the UK ("bank") with electronic funds transfer, cheque book facility in your name and direct debit facility (the "nominated linked account"); and

1.1.3 you have access to electronic mail (email) facilities, and a valid current email address.

1.2 If you have not been resident in the UK for at least one year we may consider your request to open a HiSAVE Fixed Rate Account if you already have a current account with us and you provide us with additional documents as requested by us.

1.3 When you apply for a HiSAVE Fixed Rate Account, we will not be able to open your account until we have carried out various checks. We must check your identity for fraud prevention and compliance with Anti Money Laundering regulations. If we cannot do the checks electronically and under certain other circumstances, we will ask you to provide independent documentary evidence of your identity and/or address (for example electricity bill as proof of your address and your UK driving license or your passport as proof of your identity).

When you apply for the HiSAVE Fixed Rate Account, we will let you know which documents we will accept as proof of your address and identity. If we do not receive such documentary evidence, as we require, and we are unable to open the HiSAVE Fixed Rate Account within three months of the date of receiving your application we may ask you to reapply online to open a HiSAVE Fixed Rate Account and provide fresh evidence of your identity. We reserve a right to decline your application if we are not satisfied with the identity documents you have provided us.

1.4 If you stop being eligible for HiSAVE Fixed Rate Account, we may close your account by giving you 30 days' notice. If for any reason you do not meet any of the requirements mentioned in Condition 1.1 you must immediately inform us about the same.

1.6 If you already hold a HiSAVE Savings Account you will be able to open a HiSAVE Fixed Rate Account with a term of 6 months, 1 year (12 months), 2 years (24 months), three years (36 months), four years (48 months) or five years (60 months), by submitting a request online by logging into your internet banking account through the website or calling our customer service center. You may open more than one HiSAVE Fixed Rate Account with us. You cannot make additional deposits into your HiSAVE Fixed Rate Account, change the term of your HiSAVE Fixed Rate account or close your account once it has been established. If you do not hold a HiSAVE Saving Account you can do so by filling up an online application form through the website. Minimum investment required for an HiSAVE Fixed Rate Account is £1000.

1.7 If you are applying for an HiSAVE Fixed Rate Account by filling up an online application form, in order to open your HiSAVE Fixed Rate Account you must draw a cheque for the deposit amount (min. amount being £1000, no limit on maximum investment) for which you wish the account to be opened. This amount should be from your nominated linked account, which is in your name. If you are opening a single HiSAVE Fixed Rate

Account, your linked current account can be either a Single account or a Joint account. If the linked account is joint current account, the cheque should be signed by one or all of the current account holders as per the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in name of both the applicants.

- 1.8 You can choose, by specifying at the time of opening the HiSAVE Fixed Rate Account, either to renew the HiSAVE Fixed Rate Account for the same tenure as opted previously or to close the HiSAVE Fixed Rate Account and transfer the funds to your nominated linked (subject to clause 1.12 below) or HiSAVE Savings Account (if you already hold one) at maturity. This can be selected under 'Autorenewal' option as 'Yes' or 'No'. You may change your selection by calling up our customer service center anytime before the maturity of the deposit. You may also write about the same through the secured channel by logging into your internet banking account through our website.
- 1.9 If we have not received from you the account opening cheque (minimum amount being £1000, no limit on maximum investment) from your nominated linked account within three months of receiving your application to open HiSAVE Fixed Rate Account, we may reject the application and you will have to re-apply online to open a HiSAVE Fixed Rate Account.
- 1.10 When you send us a cheque it must be in your name and from the nominated linked account as stated by you in the HiSAVE Fixed Rate Account online application form, for the total deposit amount for which you wish the account to be opened. You must make sure that you add your 8 digit tracking number sent to you via e-mail by us immediately after your name on the cheque you send us.

- 1.11 Upon successful receipt and verification of cheque from your nominated linked account as per clause 1.10, we will open your account and send you the account information and Internet Banking User ID by e-mail within five working days from the date of clearing of the cheque.

If you have applied for a single HiSAVE Fixed Rate Account you will be able to generate your chosen password while filling up the application form. You will then be able to login to your account using the User ID (sent by e-mail) and this password which you have generated.

If you have applied for a Joint HiSAVE Fixed Rate Account you will be able to generate your chosen password for the primary applicant while filling up the application form. You will then be able to login to your account using the User ID (sent by e-mail) and this password which you have generated. The password for the secondary applicant will be sent separately to his/her residential address within 7 working days from the date of account opening.

If you have not generated your chosen password while filling the application form the password(s) for all applicants i.e. sole applicant in case of single application and primary & secondary applicants in case of Joint applications, will be sent separately to their residential addresses within 7 working days from the date of account opening.

When you login to your account for the first time you with either your chosen password or the one that we sent you, you will be prompted to change the same. This is to maintain security of your own account. We strongly recommend that you change your password at this stage.

- 1.12 With effect from April 20, 2009, if you are applying for a HiSAVE Fixed Rate Account by completing an online application form, then the funds of your Fixed Rate account will be transferred only to a HiSAVE Savings Account upon maturity only. This HiSAVE Savings Account will be opened and the Direct Debit initially between your nominated linked account and your HiSAVE Fixed Rate Account will be replaced with a new Direct Debit between your nominated linked account and your HiSAVE Savings Account. 3.3.1 If you already have a HiSAVE Fixed Rate Account and wish to open another one you can do so by placing an online request by logging into your internet banking account through the website. When you make a request by logging into your internet banking account through the website for a specified amount of funds to be withdrawn from your nominated linked account and to open a subsequent HiSAVE Fixed Rate Account, we will use the Direct Debit set between your nominated linked account and your HiSAVE Fixed Rate Account to pass this request to your bank. Please ensure you have adequate funds in your nominated linked account so that the Direct debit request is successfully executed. Usually, your nominated linked account will get debited on third working day and we receive the funds on the fourth working day. This amount will be credited into your account on the same day on which we receive it and will start earning interest.

Subject to clause 1.12, after the HiSAVE Savings Account is opened, all subsequent transactions will be made through HiSAVE Savings Account only. When you make a request by logging into your internet banking account through the website for a specified amount of funds to be withdrawn from your nominated linked account and to open a subsequent HiSAVE Fixed Rate Account, we will use the Direct Debit set up between your nominated linked account and your HiSAVE Savings Account to pass this request to your bank.

3.3.2 The Direct Debit set-up is governed by the Direct Debit Guarantee and if any money is wrongly taken by us from your nominated linked account under the Direct Debit Authority given to us, we will refund the money to your nominated linked account as soon as reasonably practicable. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.

3.3.3 You must not cancel the direct debit instruction which we have set up between your HiSAVE Fixed Rate Account and your nominated linked account. For further details on direct debit please refer to clause no 6.5.

Subject to clause 1.12, after the HiSAVE Savings Account is opened, the Direct Debit initially set up between your nominated linked account and your HiSAVE Fixed Rate Account will be replaced with a new Direct Debit set up between your nominated linked account and your HiSAVE Savings Account. You must not cancel the direct debit instruction which we have set up earlier between your HiSAVE Savings Account and your nominated linked account.

3.3.4 We will normally act within one working day of receipt of your request to transfer funds. However, If we receive an instruction to collect a payment electronically, after 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day.

3.4 We will not be able transfer funds between your HiSAVE Fixed Rate Account and the nominated linked account unless we have a valid Direct Debit instruction for that nominated linked account.

Subject to clause 1.12, after the HiSAVE Savings Account is opened, we will not be able to transfer funds between your HiSAVE Savings Account and the nominated linked account, unless we have a valid Direct Debit instruction for that nominated linked account.

4.1 Funds will only be transferred from your HiSAVE Fixed Rate Account to a nominated linked account in your name with a bank with electronic funds transfer facility.

With exception to customers subject to clause 1.12, the funds in your Fixed Rate account will be transferred to your nominated linked account upon maturity only. The interest amount however will be paid periodically or upon maturity depending upon the tenor and interest payment option you have chosen when applying for opening an HiSAVE Fixed Rate Account. However for HiSAVE Fixed Rate Accounts opened for 24 months, 36 months, 48 months and 60 months interest will be paid annually while the principal amount will be credited to the nominated linked account on maturity (provided you have not opted for autorenewal at the time you applied for the account).

6. Operation of the Account

- 6.1 You can give us instructions either verbally by calling our Customer Service Centre or in writing by sending an e-mail by logging into your internet banking account. Generally we cannot change or stop an instruction given by you over the telephone or through the website (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions we may charge you for the same.
- 6.2 Before we act on instructions given by you by telephone or through the website you will have to answer the security questions which we may ask you. Please also see section 8 (Security and Access). - 6.3 When you transfer money to your HiSAVE Fixed Rate Account, we are sometimes given value for a payment before the transferring bank has checked that there are sufficient funds in your nominated linked account. The transferring bank (or BACS in some cases) may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Fixed Rate Account along with the interest which we might have paid.
- 6.4 The clearing cycle is the time taken for money paid from or to your account to be deducted or added. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. Whilst we may credit such amounts to your account on the date of presentation, the funds will be available to withdraw on the fourth working day from the date of the deposit for both current and savings accounts. The amount deposited will start earning interest from the second working day of the deposit for all types of accounts savings and fixed rate accounts. If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will explain the reason for non-payment. Thereafter, we will deduct the amount of the cheque from your balance no later than the end of the sixth business day after it was added to your balance. In all circumstances, you shall be the owner of funds on the sixth working day of the deposit of cheque and the amount of your cheque cannot be reclaimed from your balance without your consent to our doing unless you were knowingly involved in a fraud concerning the cheque. Where legal reasons require, or in certain limited circumstances beyond our control, the payment of a cheque into your account may be prevented or may take longer than the time periods set out herein.
- 6.5 If you intend to transfer funds from your nominated linked account to your HiSAVE Fixed Rate Account there must be a valid direct debit set up between the two accounts. You must not cancel the direct debit instruction while you have the nominated linked account. Your direct debit instruction will expire if you do not use the direct debit facility within 13 months of the last date of use. If your direct debit mandate expires you will then need to set up a new direct debit mandate.
- 6.6 You must notify us promptly if you experience any failure, delay or error in the website or in the operation of your HiSAVE Fixed Rate Account or you suspect any breach of security or fraud.
- 6.7 Our records of your internet instructions will be conclusive unless they are clearly wrong.

- 6.11 If you have given instructions over the telephone or through the website we may further require you to confirm those instructions in writing.
- 6.12 We can refuse to act on any instruction if:

- 6.12.1 we have a reason for believing that you did not give us the instruction;
- 6.12.2 the instruction is not clear;

- 6.14 We can refuse or delay acting on a request from you or ask for more details, for instance proof of identity if we think that it may not have been properly authorised, or may cause us to breach the law or a contractual duty, or we think your HiSAVE Fixed Rate Account is being used for an illegal purpose, or because the anti-money laundering regulations prevent us from doing so. Routine maintenance, demand on the systems and other circumstances may result in it not being possible for you to access the website or may result in particular services being slow or unavailable. In all such events we will not incur any liability for any losses caused to you.

9.4.6 We may change the interest rate on the account for any valid reason.

The changes in interest rate will be applicable for new HiSAVE Fixed Rate account opened on or after the day when the change in interest rate has occurred. Existing Fixed Rate account rates won't be affected.

9.5 We will communicate the change in interest rate to you by posting it on the website, informing the Customer Service Centre and writing to you by (post or e-mail) within 30 days of the change.

9.6 AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product which quotes an interest rate will contain an AER, you will be able to compare easily what return you can expect from your savings over time. Gross Rate is the contractual rate of interest payable before the deduction of income tax at the rate specified by the applicable laws which is 20% currently. Thus, it is the rate before the deduction of tax applicable to interest on savings.

9.7 Tax Deductions - We are governed by the regulations issued by HM Treasury and deduct withholding tax from the interest paid on the deposits in your HiSAVE Fixed Rate Account. We will pay interest net of income tax at the standard rate, unless you have told us you are a non-tax payer by sending us the appropriate HM Revenue and Customs form (available from us on request) completed to our satisfaction. If you have not followed this procedure but are a non-tax payer, you may be able to reclaim the tax from HM Revenue and Customs. Any interest paid before we are able to process your registration as a non-tax payer will be paid after deduction of tax. Please note that tax laws may change from time to time. If your circumstances change so that you need to pay tax on the interest on the HiSAVE Fixed Rate Account, you must immediately tell us of the same.

9.7 The interest rate on HiSAVE Fixed Rate Account is fixed for the term.

Details of our current rates of interest are available on our website (www.icicibank.co.uk). You can also get details by contacting us at our Customer Service Center (08081 31 41 51).

In the event you require hard copy of the statement you may place a request by logging on to website and writing to us via the secured channel. We may charge for such requests. We will inform you of the charges that we may levy to provide you a hard copy statement before we execute your request.

10.3 We recommend that you check your statement regularly. If there is an entry that seems to be wrong, you should tell us about it as soon as possible so that we can sort it out.

We will let you know which documents we will accept when you notify us of the change.

You also agree that you will pay to us any liability incurred by us in respect of HM Revenue and Customs or other body in the UK as a result of such change of address, whether you inform us of such change of address or not.

11.5 If our contact details change, we will tell you. If you write to us to give us notice (for example, to let us know that your circumstances have changed for tax purposes), the notice will not be valid until we have received it. If you send us any original, valuable or important documents, we recommend that you send them by special delivery.

12. Changes to these terms and conditions

12.1 We may change any of the terms and conditions including our charges and may introduce changes to our services at any time. Changes will be due to market conditions, the cost of providing a service to you, predicted changes in legal or other regulatory requirements affecting us, or any system or product development. We will tell you about any changes by advising you personally (including by statement messages or secure electronic mail) or by placing a notice on the website or by putting a notice on your statement on the website.

We will not be liable to you for any indirect losses or losses we could not have reasonably expected to foresee.

15.2 Our responsibility in Condition 15.1 is subject to the following:

15.2.1 We will not be liable to you if we fail to act on your request, or we do so late for any reason set out in these Terms and Conditions, or because we cannot do so for reasons outside our control. Penal rate will not be charged in case of death. In case of bankruptcy penal rate, as applicable, for the HiSAVE Fixed Rate Account may be applied for calculating interest. Please click [here](#) to view the penal rate in case of early access.

- 16.6 If you owe us money on any account when or after we close it, and you hold another account with us that has money in it, we may use the money from that account to pay us all or part of the amount you owe us on the account that we have closed. If we do this, we will tell you about it.
- 16.7 If you are not happy about your choice of account within 14 days of opening it, we will help you to switch to a different type of ICICI Bank UK PLC account or give you your money back.
