

HiSAVE Savings Account

These terms and conditions apply to the HiSAVE Account (Yearly Interest and Monthly Interest option) (as the "HiSAVE Account"). They, together with our Internet Banking Terms and Conditions and our General Terms and Conditions, are a contract between you, the customer, and us, ICICI Bank UK PLC.

The HiSAVE Account is an online, variable rate, fast and easy access, savings deposit account. There is no requirement for you to open a current account with us in order to open a HiSAVE Account.

We are an Associate Member of the British Bankers' Association

1. Opening an account

1.1 HiSAVE Account can be opened only if you meet the following requirements:

- you are an individual, aged 18 or older, resident in the United Kingdom (but not including the Isle of Man or the Channel Islands) for at least one year at the time of opening of your HiSAVE Account; and
- you have an existing current account with a bank or building society in the UK ("bank") with electronic funds transfer, cheque book facility in your name and direct debit facility (the "nominated linked account"); and
- you have access to email facilities, and a valid current email address.

1.2 If you have not been resident in the UK for at least one year we may consider your request to open a HiSAVE Account if you already have a current account with us and you provide us with additional documents as requested by us.

1.3 When you apply for an HiSAVE Savings Account (Yearly interest option or Monthly interest option), we will not be able to open your account until we have carried out various checks. We must check your identity for fraud prevention and compliance with Anti Money Laundering regulations. If we cannot do the checks electronically and under certain other circumstances, we will ask you to provide independent documentary evidence of your identity and/or address (for example electricity bill as proof of your address and your UK driving license or your passport as proof of your identity). When you apply for the HiSAVE Account, we will let you know which documents we will accept as proof of your address and identity. If we do not receive such documentary evidence, as we require, and we are unable to open the HiSAVE Account within three months of the date of receiving your application we may ask you to reapply online to open a HiSAVE Account and provide fresh evidence of your identity. We reserve a right to decline your application if we are not satisfied with the identity documents you have provided us.

1.4 If you stop being eligible for the HiSAVE account, we may close your HiSAVE Account by giving you 30 days' notice. If for any reason you do not meet any of the requirements mentioned in Condition 1.1 you must immediately inform us about the same.

To open a HiSAVE Savings Account, you must make a deposit cheque of minimum £1 from your nominated linked account, which is in your name. If you are opening a single HiSAVE account, your linked current account can be either a Single account or a Joint account. However, if the linked account is joint current account, the cheque should be signed by one or all of the current account holders, as this may vary to reflect the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in name of both of you.

The minimum deposit, which is to be paid from current account will be the nominated linked account and it must:

- have a cheque book for the account with your name (or joint names, whichever the case may be) pre-printed on each cheque; and
- be able to set up Direct Debits from the account.

1.5 If we have not received from you a minimum £1.00 cheque from your nominated linked account within three months of receiving your application to open HiSAVE account, we may reject the application and you may re-apply online to open a HiSAVE account.

1.6 When you send us a cheque it must be in your name and from the nominated linked account as stated by you in the HiSAVE Account online application form, for the initial deposit as mentioned. You must make sure that you add your 8 digit tracking number sent to you via e-mail by us immediately after your name on the cheque you send us.

- 1.7 Upon successful verification and receipt of cheque from your nominated linked account as per clause 1.6, we will open your account and send you the account information and Internet Banking login ID by e-mail within five working days from the date of clearing of the cheque. You will then be able to login to your account using the password which you have generated while filling the application form. If you had applied for a joint account, the password for the secondary applicant will be sent to his/her residential address separately. Using your login ID and password you can transact in HiSAVE Account. We strongly recommend that you change your password upon receipt.

2. Communication between you and us

- 2.1 You and we will normally communicate with each other by telephone, internet or other electronic means. Your HiSAVE Account may be accessed through the internet via www.icicibank.co.uk (the "website") or such other internet link as we may from time to time advise you. If we communicate with you through post, we will use your residential address as per our records as your communication address.
- 2.2 For any queries in relation to opening a HiSAVE Account you can contact us by sending us an email at ukdirect@icicibank.com or you can write to us at ICICI Bank UK PLC, HiSAVE UK, PO BOX 867, Wembley, HA0 9DA.
- 2.3 After your HiSAVE account has been opened with us, you can communicate with us by sending us e-mails by logging into your HiSAVE account via the website. This is a secured and an authorized mode of communication between you and us.
- 2.4 If there are technical problems in logging into your HiSAVE Account or if you cannot access your HiSAVE Account for any reason you can contact our Customer Service Centre executives for assistance or send us an email at ukdirect@icicibank.com.
- 2.5 If you want to prevent others from reading email or text or electronic messages we send you, you must set up your own protection system such as a password on your system whether it is at home or at work. You understand that we may not be able to prevent messages being monitored at your work.
- 2.6 When you telephone our Customer Service Centre or contact us through the website, we will use the account-related details and security details which you gave us when you opened your HiSAVE Account. You will not be able to operate your HiSAVE Account without them. We recommend that you use a touch tone phone while calling our Customer Service Centre.
- 2.7 If you have forgotten your password, you must call the Customer Service Centre, where one of our customer service executives will ask you security questions to ascertain your identity for regeneration of your password. While you are waiting for your new password to arrive, you cannot give us any new instructions (including, without limitation, changing to a new nominated linked account or changing your personal or contact details). If you have placed a request for a new password and are waiting for it to arrive, we request you not to use your old password as this will block the new password as well.
- 2.8 We shall send you the password for activation of your HiSAVE Account to your postal address given by you to us. Please note that we cannot send it at any other address. Please therefore effect any change in address prior to making a request for a new password.
- 2.9 You must have a touch-tone phone to access our Customer Service Center. Otherwise you will have to give instructions or get information about your account using our website (www.icicibank.co.uk). Also, if you forget your login ID and / or your password, you will not be able to operate your account online

3. Payments into your HiSAVE Account

- 3.1 To open a HiSAVE Savings Account, you must make a deposit cheque of minimum £1 from your nominated linked account, which is in your name. If you are opening a single HiSAVE account, your linked current account can be either a Single account or a Joint account. However, if the linked account is joint current account, the cheque should be signed by one or all of the current account holders, as this may vary to reflect the operational set up of the account. If you are opening a joint account, the cheque must be from nominated linked joint current account which is in name of both of you.
- 3.2 Apart from your first deposit, when we have set-up your HiSAVE Account, you can make more payments into it by:
- Setting up a direct debit with us.
 - Setting up a standing order from another bank
 - Arranging with another bank or building society to make a payment (for example, by electronic transfer)
 - Transferring money from a current account you hold with us.

Cash or other forms of deposit are not acceptable. When making payments other than by cheque, you will have to give us or the bank or building society making the payment our sort code (30-00-81) and your HiSAVE Savings account number.

- 3.3 When we receive any cheque made out to you, we will send it to the bank issuing the cheque for payment. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. We will open your fixed rate account on the day we receive clear funds but you will earn interest from the second day of presenting the cheque. However, if we receive a cheque, or an instruction to collect a payment electronically, after 1 pm or 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day. Also see clause 6.4 regarding the central clearing cycle.
- 3.4 a) When you make a direct debit request on the website for a specified amount of funds to be withdrawn from your nominated linked account and credited to your HiSAVE Account, we will use the Direct Debit set between your nominated linked account and your HiSAVE Savings account to pass this request to your bank. You can transfer only £ 100,000 per transaction into your HiSAVE Account. However, there is no limit to the number of transactions you can carry out each day. It usually takes four business days for us to receive the funds. This amount will be credited into your account on the same day on which we receive it and will start earning interest. However, these funds will be available for withdrawal only on the fourth business day from the day we receive your instruction.
- b) The Direct Debit set-up is governed by the Direct Debit Guarantee and if any money is wrongly taken by us from your nominated linked account under the Direct Debit Authority given to us, we will refund the money to your nominated linked account as soon as reasonably practicable. In order to do this we may seek additional information from you to establish whether money was wrongly taken by us from you.
- c) You must not cancel the direct debit instruction while you have the nominated linked account. Your direct debit instruction will expire if you do not use the direct debit facility within 13 months of the last date of use. If your direct debit mandate expires you will then need to set up a new direct debit mandate. Please contact us to set up a new direct debit mandate in case yours' has expired.
- d) We will normally act within one working day of receipt of your request to transfer funds. However, if we receive an instruction to collect a payment electronically, after 1 pm or 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day.
- 3.5 The minimum amount you need to transfer is GBP 1. If you set up a standing order from another bank or if there is an arrangement with another bank or building society to make a payment into your HiSAVE Account there is no limit on the maximum amount of funds you may transfer into your HiSAVE Account. However if you transfer funds from your current account with us you can only transfer up to £500,000.00 per day to your HiSAVE Account. There is however no limit on the number of transactions you can carry out each day if the amount is within the transferable amount.
- 3.6 We will not be able to transfer funds between your HiSAVE Account and the nominated linked account unless we have a valid Direct Debit instruction for that nominated linked account.
- 3.7 Apart from the first deposit, you cannot normally ask us to transfer funds between your HiSAVE Account and the nominated linked account unless we have a valid Direct Debit instruction for that nominated linked account.

4. Withdrawals from your HiSAVE Account

- 4.1 You can carry out transactions on your HiSAVE Account by using our website. Funds will only be transferred from your HiSAVE Account to a nominated linked account in your name with a bank with electronic funds transfer facility. Either you or we may request the transfer of funds at any time on one working day's notice.
- 4.2 When you instruct us to transfer money to your nominated linked current account, the following will apply:
- We will immediately take the amount of payment from your account; and
 - The amount of payment will usually be available in your nominated linked current account three business days after your instruction (this may take an extra business day if you gave the instruction after 1 PM or 1300 Hrs GMT or on a day that is not a business day)
- 4.3 When you instruct us to transfer money to your nominated linked current account using our website, the following will apply:
- You can transfer only £ 50,000.00 per transaction from your HiSAVE Account. However, there is no limit to the number of transactions you can carry out each day.
 - We will normally act within one working day of receipt of your request to transfer funds. If we receive an

instruction, after 1 pm or 1300 Hrs GMT or on a day that is not a business day, we will treat it as though we received it on the following business day.

- 4.4 We do not charge for electronic transfers done through BACS.
- 4.5 We charge £20.00 if you want a CHAPS transfer to be made from your HiSAVE Account. A CHAPS transfer will be executed on the same working day if instructions are received by us before 11.45am on that day.

5. Confirmation of Instructions and Transactions

- 5.1 If you give us an instruction by calling our Customer Service Center, we will confirm it on the phone to you.
- 5.2 We will not give you written confirmation when we receive funds into your account. These amounts will appear on your account statements.

6. Operation of the Account

- 6.1 You can give us instructions either verbally, by telephone or through the website in respect of your HiSAVE Account. Generally we cannot change or stop an instruction given by you over the telephone or through the website (unless we inform you otherwise) because we start processing instructions when we receive them. If we are able to cancel your instructions we may charge you.
- 6.2 Before we act on instructions given by you by telephone or through the website you will have to answer the security questions which we may ask you. See also Condition 9 (Security). You agree that as long as we are given correct answers to the security questions referred to above and login ID & password (for internet banking) as part of our security procedures, we can (without getting further confirmation from you): act on any instruction to make payments into or out of an account; and release confidential information we hold about you and your accounts.
- 6.3 When you transfer money to your HiSAVE Account, we are sometimes given value for a payment before the transferring bank has checked that there are sufficient funds in your nominated linked account. The transferring bank (or BACS in some cases) may reclaim the payment and we will need to take the amount of this payment out of your HiSAVE Account along with the interest which we might have paid.
- 6.4 The clearing cycle is the time taken for money paid from or to your account to be deducted or added. Each UK cheque paid into ICICI Bank UK accounts clear on the sixth working day from the date of the deposit of the cheque. Whilst we may credit such amounts to your account on the date of presentation, the funds will be available to withdraw on the fourth working day from the date of the deposit for both current and savings accounts. The amount deposited will start earning interest from the second working day of the deposit for all types of accounts savings and fixed rate accounts. If the bank, building society or other organisation that the cheque was drawn on decides not to honour it, they will normally explain the reason for non-payment. Thereafter, we will deduct the amount of the cheque from your balance no later than the end of the sixth business day after it was added to your balance. In all circumstances, you shall be the owner of funds on the sixth working day of the deposit of cheque and the amount of your cheque cannot be reclaimed from your balance without your consent to our doing unless you were knowingly involved in a fraud concerning the cheque. It should be noted that all cheques deposited in the Branches by 14:00 hrs shall go into processing the same day. All cheques deposited after 14:00 hrs shall get into processing on the next working day.

Where legal reasons require, or in certain limited circumstances beyond our control, the payment of a cheque into your account may be prevented or may take longer than the time periods set out herein.

- 6.5 If you intend to transfer funds from your nominated linked account to your HiSAVE Account you must give us a direct debit instruction. You must not cancel the direct debit instruction while you have the nominated linked account. Your direct debit instruction will end if you do not use the direct debit facility within 13 months of the last date of use. If your direct debit mandate expires you will then need to set up a new direct debit mandate.
- 6.6 We will normally act within one working day of your request to transfer money from your HiSAVE Account to your nominated linked account. If the request is received after 1.00pm or on a day which is not a working day, we will act on your request on the next working day. It may take up to five working days for the transferred money to reach your nominated bank account if that account is not an account held with us.
- 6.7 You must notify us promptly if you experience any failure, delay or error in the website or in the operation of your HiSAVE Account or you suspect any breach of security or fraud.
- 6.8 Our records of your internet instructions will be conclusive unless they are clearly wrong.

- 6.9 If you act fraudulently you will be responsible for all losses on your HiSAVE Account. If you act without reasonable care, and this causes losses, you may be responsible for them. See also Condition 16 (Liability).
- 6.10 We reserve the right to remove, suspend or reduce access to the website and/or telephone banking services and associated services without giving you notice if we consider that there is a security or fraud risk.
- 6.11 You authorise us to act on the instructions given by you on the telephone or through the website whether or not those instructions are given by you, provided we are satisfied that all security measures have been complied with.
- 6.12 If you have given instructions over the telephone or through the website we may further require you to confirm those instructions in writing.
- 6.13 We can refuse to act on any instruction if:
- we have a good reason for believing that you did not give us the instruction;
 - the instruction is not clear;
 - we believe that to carry out the instruction would be unlawful, or would result in the breach of a regulation, code or other duty which applies to us; or
 - we believe that carrying out the instruction may damage our reputation.
 - it is to be performed in at a future date
 - it is condition on happening of certain event
- 6.14 We may apply financial and other limits to telephone instructions and instructions through the website from time to time. Wherever possible we will give you notice, but we may vary these limits at any time with immediate effect. We will tell you if your transaction exceeds any of the limits.
- 6.15 We can refuse or delay acting on a request from you or ask for more details, for instance proof of identity if we think that it may not have been properly authorised, or may cause us to breach the law or a contractual duty, or we think your HiSAVE Account is being used for an illegal purpose, or because the anti-money laundering regulations prevent us from doing so. Routine maintenance, demand on the systems and other circumstances may result in it not being possible for you to access the website or may result in particular services being slow or unavailable. In all such events we will not incur any liability for any losses caused to you.
- 6.16 If you intend to change your nominated linked account you must inform us in advance. When you contact us we shall let you know what documents you need to send us to enable us to execute your request. Further, if you change your nominated linked account within 30 days of opening your HiSAVE Account or at a later point of time then we reserve the right to require enhanced due diligence information from you. The changed nominated linked account must be an existing account in your name with a bank with electronic funds transfer, cheque book facility in your name (or joint names, in the case of a joint current account) and direct debit facility.
- 6.17 If there is no withdrawal initiated by you or if your HiSAVE Account is unused, for two years, we may treat it as 'dormant' and restrict access to it. However, you will be able to make the HiSAVE Account live by following the dormant account activation process which is available on request to us. Please ask us if you would like more information on dormant accounts. In any event the money in the dormant account will always remain their property, no matter how many years have passed.
- 6.18 Please note that if you do not use your HiSAVE Savings account internet banking password for a period of 6 successive months your password shall expire. In such a case, please contact our Customer Service Center in order for a new password to be issued to you.
- 6.19 We may not accept instructions given by anyone who has 'Power of Attorney' (legal authority to act for you) unless we have to do so by law, or unless we choose to accept them.

7. Joint HiSAVE Accounts

If you have opened a joint HiSAVE Account, the following additional terms apply:

- 7.1 Each of you is liable individually as well as jointly for the joint HiSAVE Account at all time. Please note that this applies even when your relationship breaks down. We may ask all or any one of you to carry out or perform all of the obligations as account holder. If there are any disputes that arise arising between the joint account holders, one or both of you should contact us in writing. On receipt of such notice we will only accept future instructions from you which have been authorized by both of you. In order to do this we may have to change the holding pattern of your HiSAVE account for which we may need additional documentation and conduct additional procedures. We will inform you of what documents we will need and accept, what additional procedures need to be performed and what changes we can carry out in the holding pattern of your HiSAVE account, when we receive such a request from you.

15. Liability

- 15.1 If we do not carry out your request or delay doing so or do not do so correctly, we will be liable for any direct loss as a result and the amount of any interest you did not receive from us as a result of our failure or late action or mistake. We will not be liable to you for any indirect losses or losses we could not have reasonably be expected to foresee.

15.2 Our responsibility in Condition 16.1 is subject to the following:

- we will not be liable to you if we fail to act on your request, or we do so late for any reason set out in these Terms and Conditions, or because we cannot do so for reasons outside our control. Such reasons include, without limitation, industrial action, communications failures, software or hardware problems and industrial disputes; and
- You will not be liable for any transactions on your HiSAVE Account that occur after you notify us that your security details may have been divulged to an unauthorised third party, unless you have acted fraudulently or without reasonable care, including by failing to follow the instructions in Condition 6 and we may be responsible if there is any unauthorised transaction, otherwise, we shall have no further liability to you.

15.3 You agree to protect us against loss if a claim is made against us, or a claim we make is defended, because of:

- a) something you have done (which you should not have done) or failed to do (which you were supposed to do) in connection with the products or services we provide to you; or
- b) you breaking this agreement;

This means that you are promising to pay us an amount which represents a reasonable assessment of our losses, liabilities, costs and payments (which would not have arisen otherwise) resulting directly from this sort of claim or defence or from you breaking this agreement. This includes the reasonable costs incurred by us in investigating and managing the matter as well as our reasonable legal costs.

15.4 The protection which you give us under Condition above will not apply if we deliberately or negligently caused the loss, liability or damage or as far as the protection is not consistent with relevant laws or regulations

16. Closure of HiSAVE Account

16.1 You may close your HiSAVE Account with us by logging into your HiSAVE Account using internet banking and writing an e-mail to the Account Manager (i.e by using the secured channel). For closing the HiSAVE Account you must give us three working day's notice after you have made arrangements satisfactory to us for the transfer of any funds in your HiSAVE Account, and you have paid all outstanding amounts due from your HiSAVE Account. In case you request for closure of your HiSAVE Account, the funds from your HiSAVE Account will be transferred into your nominated linked account only.

16.2 Under normal circumstances, we may only close your HiSAVE Account with us for any reason on giving 30 days notice to you.

16.3 We may close your HiSAVE Account immediately in exceptional circumstances. Examples of such circumstances are if we reasonably believe that:

- you are no longer eligible to hold a HiSAVE Account;
- you or someone else using your HiSAVE Account is doing so illegally or fraudulently;
- you have given us false information;
- it is not appropriate for a person authorised to give instructions on your HiSAVE Account to run it; or
- you have continually or seriously (or both) broken the terms of these Terms and Conditions.

16.4 In the event that we are required to transfer funds from your HiSAVE Account, and your nominated linked account is inactive for any reason or has closed, we will send to you by post a cheque for the relevant amount to the last address of which you have informed us.

16.5 If your HiSAVE Account is closed, it will not affect any legal rights or obligations which may already have arisen or which may arise as a result of these Terms and Conditions.

16.6 When any particular type of account is no longer available, we may close any account or accounts of that type you have with us. If we close your account or accounts:

- we will pay or transfer cash we hold for you, plus any interest built up in the account, to a nominated linked account (after deducting all amounts you owe us); and
- you must pay us any amounts you still owe us, or which you become due to pay us, after we have closed your account or accounts.

16.7 If you owe us money on any account when or after we close it, and you hold another account with us that has money in it, we may use the money from that account to pay us all or part of the amount you owe us on the account that we have closed. If we do this, we will tell you about it.
